

**Vendor Contract Letter
For Planned E-Rate Purchase**

January 17, 2018

High Point Networks
728 East Beaton Drive, Suite 200
West Fargo, ND 58078

Dear High Point Networks Representative :

This letter will confirm our decision to purchase \$21,651.00 of Aruba Wireless products and associated services as specified in quote 068657v2 from your company during the 2018 E-Rate funding year as specified in the attached specifications and price quotations.

The procurement of these [product(s)/service(s)] will be dependent upon the following conditions

1. Final approval of next year's fiscal budget;
2. School Board Approval
3. Award of associated E-Rate funding
4. Nothing can be delivered prior to April 1st 2018
5. No invoices can be sent or payment made before July 1, 2018

To accept these terms and conditions, please sign below and return to us as a pdf file via email.

We look forward to working with High Point Networks on this project.

Sincerely,

Todd Cameron, Superintendent 1/17/2018

Summary

High Point Networks is happy to be providing Ulen-Hitterdal a proposal for a Wireless Solution. Our solution details around the professional services associated with this proposal are defined below. If there are any questions or concerns please let us know.

Completion Date: Summer 2018

P.O.C(s): Daryl Bubbers

Site Address: Ulen, MN

Project Brief: Provide a wireless solution that is manageable and support AC speeds with a single management platform for administration

- Add efficient and available WiFi
- Provide AC speeds to devices that can connect at AC and as fast as possible as others
- Provide a guest network for guests visiting main or all remote locations
- Provide a solution that has a single management interface

Scope of Work:

- **HPN Responsibilities:**
 - Onsite Configuration of IAP controller per site to meet customer specifications
 - Work with customer to come up with AP placement plan
 - Assist in network changes that need to be made if required for corporate and guest access
 - Network discovery and to provide recommendations for network configuration
 - Education and troubleshooting
 - Project management
- **Client Responsibilities:**
 - Provide accurate maps of area desiring covering
 - Microsoft Active Directory Certificate Services Set up
 - Needed for connectivity to AD for expanded security
 - Mount and hang access points in appropriate areas and location
 - Run cable if required for AP locations

Exclusions:

- Patch cables
- SSL Certificates
- Aruba Airwave management software unless selected
- Active directory or associated licenses
- No changes to existing switches
- Does not include Visual RF configuration if Airwave is a part of proposal.

Change Control:

- In the event that it becomes necessary to alter the scope of work, High Point Networks will initiate contact with the company's point of contact to work out the details associated with impacts to schedules, deliverables and/or financial commitments. No changes to the scope of work will occur without prior written authorization.
